I understand that the Manual Lymphatic Drainage (MLD) I receive is provided for the basic purpose of lymphatic drainage and movement. If I experience any pain or discomfort during this session, I will immediately inform the therapist so that the treatment, pressure and/or strokes may be adjusted to my level of comfort. I further understand that MLD should not be construed as a substitute for medical examination, diagnosis, or treatment and that I see a physician, chiropractor, or other qualified medical specialist for any mental or physical ailment of which I am aware. I understand that MLD certified practitioners are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session given should be construed as such. Because MLD should not be performed under certain medical conditions, I affirm that I have stated all my known medical conditions and answered all questions honestly. I agree to keep the therapist updated as to any changes in my medical profile and understand that there shall be no liability on the therapist's part should I fail to do so. I also understand that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session, and I will be liable for payment of the scheduled appointment.

**CANCELLATION POLICY: For appointments canceled within 12 hours of session time, the full session fee will be charged. Any clients with a no show or late cancellation (within 12 hours) of an appointment will be required to put a credit card on file before making another appointment. I attest to have read this policy and agree to the cancellation terms.**
